A message from Hannah about next year...

I'm about to spend a year working for the Navigators in St Andrews, Scotland, reaching out to international students and supporting them as they grow in faith. This will include opportunities for discipleship, a training programme aimed at personal growth and overseas service.

If you would like to receive updates or support me in prayer or financially, please let me know.

Thank you to everyone who baked or bought cakes a few weeks ago. we raised at least £116.50 to go towards Hannah's expenses for next year

Please Pray for...

God's angel sets up a circle of protection around us while we pray.

Summer Arrangements

As we have done in previous years we have decided to take a break from our normal Sunday service pattern over the school summer holidays. This is in order to:

- allow those who have weekly responsibilities to have a refreshing break
- allow us to seek God during this time, either by going to other church services or by spending some extended quiet time with God

We will not be meeting on 23rd and 30th July, 6th, 13th, 20th and 27th August and will meet back again on Sunday 3rd September.

Why not come and visit us at New Wine (see dates page)

On August 25th we are planning to spend some time working on our four seasons banner during the day and gather for a BBQ in the evening – details to follow.
