Community

- Please pray for Kingfisher's involvement with our community in 2018; for wisdom on how to build on previous experience and relationships. There seems to be great God-given potential, but we are finding it difficult to move forward - pray for a breakthrough!
- We are praying for a different church each month. We are praying for Bethesda at the moment. This year they are focussing on 'faith in action'. Pray for them as they seek to bless their local community, equip people on their frontline and engage with projects

around the world that they support. Please also pray for people with the necessary gifts and talents to **step forward** and help with the **practical running of the church**.

- **Protection over families and children from the physical, emotional and spiritual scars of domestic violence. For help and transformational change for the perpetrators.**
- **New Christian Union at St Laurence School, which meets on Thursdays at 3pm, organised by Wiltshire Youth For Christ: please pray for this venture to be a success in encouraging Christian pupils at the school and in reaching out to non Christians**
- **Join with others in praying for increased opportunities to share the gospel with others in this year of **HOPE 2018****

Pray for the World!
