Community Engagement

Give thanks for recent positive developments in our community involvement. **Pray** for **wisdom** and for the **resources** to move these opportunities forward. *Please tell Alison if you feel God has placed any of these on your heart and/ or please be open to 'God conversations' with others who might be able to help and let Alison know!*

Alison talking to year 1 at The Mead School about **Easter**

Fri 30th Mar (Good Friday) 12:30 - 5pm: **Easter Egg Trail** - Kingfisher Church is organising an Easter egg trail for local people on Paxcroft Mead using the Red Admiral as a base (and with their enthusiastic support). **Please pray** for this opportunity to engage positively with the community and **please let Alison know if you can give an hour or so on Good Friday afternoon** to staff the start and finish point in the Red Admiral.

Baby Bundles

Through conversations with Spurgeons as a link with local churches, we would like to support this initiative to help mums and babies who are potentially vulnerable families and who might not be able to afford all the essentials for a new baby's arrival. We would collect a basket of items for mum and new baby and Spurgeons would be able to give them to families on the Mead housing areas. We would like to support this as a church, perhaps collecting four baskets annually. **Please pray** about the opportunity to widen this to become a community engagement initiative.

We have been approached by the Mead School asking if Kingfisher church can help the **year 5 classes explore big questions** about **religion** and what's happening in the world.

Please pray!!

We have had a request this week for anyone from Kingfisher church who might be able to support the Toddler group that meets in the Community Centre e.g. making refreshments

This is a new connection (that currently may be hard for us to resource!) but **please pray** for God to show us how to respond
