## Prayer for the Church Development Project

Please pray:

- That the contractor, Emerys, will be able to mobilise quickly and start work when planned.
- That the contract we sign, which is necessarily complex, will be complete and correct.

- For good cooperation between Emerys and the contractors for PA/AV and lighting.
- For the safety of the building especially while the scaffolding is in place

## An update on work at St Thomas' -

scaffolding will be erected this Tuesday (16th) prior to the starting of the work necessary for repair to the roof

## OMF rep needed

You may be aware that Martin Wakelin is stepping down as our OMF rep. We need to find somebody to take over this important work.

Stuart Brown is happy to support the role, but with his business travels feels he cannot be the main contact person.

Please pray about this. It is an important work in a region of the world where Christians are being increasingly persecuted. If you would like to learn more, you're welcome to talk to Martin Wakelin, Angela Grist or Stuart Brown... but most importantly, pray and ask for God's guidance.

## Parenting for Faith

with James Vaughton

7.30pm on Tuesday 16<sup>th</sup> July

St Thomas' Church Rooms

**This event is aimed at parents, grandparents and anyone with an interest in youth work.**

Teaching discipleship to a generation who face more obstacles to faith than ever before is one of the biggest challenges for churches everywhere.

Come and hear about James' research into discipling secondary age children.
