Decorating the Church Hall

It's twenty years or so since the Church Hall was last decorated and it's looking a bit tired. The PCC have decided to have a new floor laid in the Hall, so before that happens, it seems the right time to spruce up the interior with a coat of paint.

It would be great to have a working party to do this, although we'd need to use the half term holiday when the Hall isn't heavily used. So, I'm proposing the work to be done on **Thursday 22nd, Friday 23rd, Saturday 24th October**. We may need to use the **Monday 26th October** depending how much is accomplished by then.

If you feel you can spare a couple of hours on any of those days, let **John C** know. The more people, the easier and quicker it can be. It's a great opportunity for fun and fellowship while at the same time making our rooms look more inviting!

More details in a few weeks.
